Youth Proficiency Scheme Tutor Course

YPST (Pistol)

Sunday 8th April 2018

1 day "Top Up" course for those who hold the Rifle version of the qualification to expand their Pistol knowledge.

Course Details & Booking Form

Outline ~

The NSRA Youth Proficiency Scheme Tutor's Diploma is the standard course to equip adult instructors to run both the course itself and "taster" sessions in air rifle or pistol shooting. This specific course is a shortened variant for those who hold, and use, the rifle qualification and wish to expand their pistol knowledge / skills and to then hold the pistol variant of the qualification.

Prior to the course attendees are asked to review their rifle course manuals (and bring them with them) as there will be an update / review of the course sections that are duplicated from Rifle to Pistol, e.g. "the Law", before moving into the "Pistol core materials"

The course fee includes a NSRA YPST Pistol course handbook and certification (valid for 5 years).

Attendees must be over 18 years of age, those 18+ but under 21 should be aware of legal restraints the law imposes on how they may use the qualification.

Attendees are invited to bring their personal .177 Air Pistols should they so wish.
